

LIVE VIDEO
CHAPLAIN TRAINING CLASSES

In the near future, we plan to begin holding online video chaplain training classes. Our plan is to have the classes last for approximately an hour and a half each. Initially we plan to offer these classes **FREE OF CHARGE**.

Are you interested in participating in one of these classes? Send us an email (robbyj@ipa.net) indicating your interest. Put in the subject line of your email "Video Chaplain Training." Indicate in the body of your email message that you are interested in participating in one of our video classes. Also, include your name, city and state Please indicate what day and time would be best for you. Examples: Saturday at 10:00 AM Eastern Time or Friday at 6:00 PM Pacific Time or Sunday at 3:00 PM Mountain. We hope to have students from all USA times zones. At this point, you are NOT making a commitment, just indicating your interest.

What equipment will I need in order to participate? All you will need is a computer with Internet access and the ability to listen to audio through it. You may want to use ear phones but normal computer speakers will be fine. If you have a video webcam and a microphone that would be great but it IS NOT required.

In our first video class, we plan to teach on the topic of "Ministry to A Suicidal Subject." Future topics will include Death Notification, Critical Incident Stress Management, Psychological First Aid, Introduction to Emergency Services, Introduction to Emer Serv Chaplaincy and much more.

Send your emails to: Chaplain Robby Jernigan - - robbyj@ipa.net We are very much looking forward to hearing from you soon.

CH Robby Jernigan

AGTS Emergency Services Chaplain Training Coordinator
