Dear Friend,

Thank you for your interest in emergency services chaplaincy. Will you answer the call? We certainly hope so. There are many exciting ministry opportunities before you, should you choose to accept the challenge. If God is calling you to this ministry, He will see you through some of the most challenging and rewarding ministry opportunities of your life.

You may be asking, "How Do I Get Started?" You may want to email us, and we will be glad to help in any way we can. A good first step would be to take our course, "Getting Started in Emergency Services Chaplaincy." It should take you approximately 3 hours to complete the course. In it, we give you step-by-step instructions that will lead you from just being interested to actually becoming a chaplain in your local fire department, law enforcement agency, emergency medical services provider, or emergency communications/dispatch center.

May God richly bless you and continue to direct your life.

In His Service,
